Will Spray Elms From Helicopter

Some 400 of Andover's fine old elm trees will be sprayed from a helicopter sometime next week to protect them against the dutch elm disease.

The spraying originally was scheduled for Wednesday, Apr. 23, but had to be postponed.

The 'copter will come from the Bedford airport about 5 a.m., and will take three hours to spray elms in the center of the town and in the center of Shawsheen Village.

Streets included in this program are Main street, Morton street, Punchard avenue, Bartlett street, Whittier street, Whittier court, school grounds, the park,

Light Vote Expected For Presidential Primary

THE WRITE-IN VOTE

"If the intent of the voter can be determined then the vote counts."

That is the gist of the instructions Town Clerk George H. Winslow will give the election officers who will count the votes in the presidential primaries next Tuesday.

Various officials in Massachusetts communities are somewhat in doubt about the use of a nickname on the ballot. Some believe that a write-in vote for "Ike" should be counted as a ballot for Eisenhower while some do not.

The write-in law adopted in 1951 is not clear on the subject although it states the omission of the first name of a candidate may be disregarded as well as misspelling of the last name, as long as the intent of the voter is clear.

Locally, if a ballot is marked so that the intent of the voter can be determined the vote will count.

A comparatively light vote is expected at the presidential primaries to be held Tuesday, Apr. 29. Only one polling place — the Square & Compass club — will be open. The hours will be from 7 a.m. to 7 p.m.

The purpose of the primary is to elect delegates and alternates to the presidential conventions of both parties, and members of the state and town committee for both parties.

On the Republican ballot there are to be elected 10 delegates at large and 10 alternates at large for the national convention; two district delegates and two alternates of the Fifth Congressional district to the national convention; one man and one woman from the Fourth Senatorial district to the state committee, and 35 members of the town committee. Delegates to the national convention who are pledged to Robert A. Taft are indicated on the ballot. There is also space to write in the name of the voter's choice for president.

On the Democratic ballot there are 16 delegates at large and 16 alternates at large to be elected to the national convention; four district delegates and four alternates of the Fifth Congressional district

Boy Scout Board Meeting May 21

The Andover district committee, boy scouts will be hosts to the executive board of the North Essex council, Boy Scouts of America, at a smorgasbord supper to be served at 6:30 p.m. at the Free church Wednesday, May 21. William McDonald of Wolcott ave., district chairman, and Leslie Mullin of Stevens st., district commissioner, are in charge of reservations.

The executive board has been meeting in the various districts, the last meeting being in Methuen at Phillips chapel. All adult leaders and committeemen of Andover are invited and it is hoped there will be a good representation, particularly since the supper committee has arranged a fine meal at a reasonable cost.

Red Cross Asking For Blood Donors

Red Cross again is asking the community to "answer the call". This time the need is for blood donors to be signed up in advance of the bloodmobile visit to South church Friday, May 2. Every time that a full day's quota is collected the plan to supply free blood upon request to everyone who needs it is carried forward another step. Disaster situations involving human life tend to increase the demands for blood, so donations are

**Save That Daylight!
... and the new B and M
Timetables, too**

"Well," said Bill as he selected his morning paper and started out of the station, "Sunday morning we'll all wake up and find it's an hour later than we think."

"It generally is," a commuter observed.

"Yes — but this time it'll be official."

"Right you are," said another — "daylight saving."

"Well," said the first man, "aside from the loss of sleep, I must admit the change to daylight saving is a fairly painless operation. Just set all your timepieces an hour ahead when you go to bed Saturday night, and that's all there is to it."

"It may be painless to most people," Bill remarked, "but it's a big headache to the railroads."

"How's that? All they have to do is set their clocks ahead too, isn't it?"

"Not by a long shot," answered Bill. "Take the B and M. They have to print new timetables, in daylight saving time. That's all right, because there are generally a few minor changes in schedules that they want to publish anyway. But

the real problem is how to rearrange things to take care of the extra summer trains they run — to the mountains, to the seashore resorts, to the Maritime Provinces — and not throw the regular schedules out of line.

"They take good care of us commuters, of course. They seldom make a change in our train times except when absolutely necessary to fit the trains into a smooth operating pattern. And these changes are always posted in the stations in advance."

"The best way to keep up with schedule changes is to always get the new timetables as soon as they're issued. Get a little one that gives your own local schedules to carry in your wallet, and a big one to keep at home. If you do that, you'll never miss a train."

"Unless your watch is slow, the way Joe's always is," remarked another commuter, pointing to a figure running frantically for the station.

"Well — if you can't keep track of the time in this day and age —," the noise of the 8:08's arrival drowned out the rest of Bill's observation.

ABBOT ACADEMY

On Saturday evening, Apr. 26, the Junior class at Abbot academy will present "The Rose and the Ring" a play by William Makepeace Thackeray and adapted by J. B. Greenbough. The play will be given in Davis Hall, the curtain at 8 o'clock. The performance is open to the public with no admission charge. The direction of the play has been the work of Mrs. Kenneth Spurway, in turn assisted by Miss Emily Hale and Miss Louise Coffin in charge of costumes.

Rain or shine the Abbot birthday bazaar will take place on Saturday, May 3, on the school lawn or else in Davis Hall in case of wet weather. The tea room will be found in the school dining room as is the custom. The Highlanders with their bagpipes will strike the Scottish note, and sometime in mid-afternoon there will be Scottish dancers on the green. The auctions promise to be lively and alluring, and the auctioneering will be spaced throughout the duration of the fair.

The vesper service Sunday evening will be conducted by the Rev. John T. Golding of the Church of the Redeemer in Chestnut Hill.

Newcomers Meet At West Parish

The Newcomers club held its monthly meeting last Monday evening in the West Parish church vestry. The Rev. John G. Gaskill, pastor, addressed the gathering.

Mrs. Herve Foreman, president, conducted the business meeting and introduced the guest speaker, Miss Louise Sherman, who showed colored slides and gave an interesting talk on Japan.

Refreshments were served by Miss Cynthia Noone, chairman, assisted by Mrs. H. Allison Morse, Mrs. Tyndale, Mrs. Thomas W. Wright, and Mrs. Donaldson.

At the May meeting of the club a visit will be made to the bird sanctuary to view the Azaleas.

Large Local Cast For Talent Revue

A cast of local and professional talent will present the second annual Talent Revue to be staged Friday, Apr. 25, at the Memorial auditorium by the Andover Sportsman's club, Inc.

Some of the featured entertainers in the revue include Beverly Sparks, Sherry Cutler, Virginia Snyder, John Campbell, Margaret Campbell, John and Catherine Farragher, Jane and Joan Simeone, Jacqueline Demers, Judy Wright, Suzanne Wennik, Pamela Roy, Arthur Brien, Armand Morrisette and Beverly Arthur.

A trio composed of Mrs. Hazel Stopford, Mrs. Ethel Wilson and Mrs. Jean Weeks will sing a group of songs accompanied on the piano by Donald L. Amy.

On the committee are Mal Lundgren and Chet Harnden, co-chairmen; ushers, William Greenwood, Frank Patterson, Walter Swenson, Forest Noyes and Donald Law; decorations, Chet Harnden, Walter Swenson, Wilfred Svenson, and Kenneth Wade. Tickets may be obtained at the door.

Proceeds will be used to finance the third annual trout derby to be sponsored by the club at Hussey's pond, Shawsheen, Saturday and Sunday, May 3 and 4.

Mrs. Frank Froburg is chairman of the refreshment committee and Mrs. Ralph Sharpe is chairman of the rummage sale which will be held at a later date.

Re-Dedication Service

A re-dedication of the Methodist church was held Sunday afternoon. The Rev. Earl Haywood, former pastor, had charge of the opening service. The Rev. Paul E. Callahan, pastor of the Union Congregational church, led the responsive reading. The Rev. Robert J. McCune, present pastor, led the dedication and the Rev. Dr. Archiver Straitt, district superintendent, preached the sermon and gave the closing prayer and benediction.

Dr. Straitt brought the church the congratulations of the Methodist churches of the New England Conference on the artistic beauty that the Methodists of Ballardvale had produced in the redecoration of their church, mostly by their own hands and gifts. He stressed the fact that a real church was as big as its soul and no larger.

Receives Discharge

Arthur M. White Jr., has received his honorable discharge from the navy and is at the home of his parents, Mr. and Mrs. Arthur White of Andover st. White was construction electrician's mate, third class, serving with the 103rd. Naval Construction battalion on Guam, Marianas Islands.

Before entering the naval service in March 1948, White attended Puncard High school.

Sportsman's Club Holds First Shoot

A large number of members and guests of the Andover Sportsman's club, Inc., attended the first shoot of the season Sunday at the club grounds in the Harold Parker forest.

High scorers for the day were Wilfred Boucher and Raymond Buchan who tied with a score of 22 out of 25. Other contestants were Dr. Joseph Fenton of Lawrence, Charles Crosby, Joseph Caughey, Capt. Robinson Bridges, Forest and Lee Noyes, and Robert Souter.

Lee Noyes is chairman of the skeet and trap committee, assisted by Forest Noyes, Ray Buchan and Robert Souter.

Success to be proud of was not earned by acts that needed lengthy explanations.

GORDON - BAILEY

A pretty home wedding took place at 2:30 p.m., last Sunday at the home of Mr. and Mrs. Chandler Bailey of Bailey rd., when their daughter, Marilyn Ruth, became the bride of Edgar Wallace Gordon of Lowell. The Rev. John G. Gaskill, pastor of the West church officiated.

The bride wore a gray suit with a white orchid corsage. Her only attendant, her sister, Mrs. Allen Young wore a light blue silk suit with a pink orchid. The best man was Raymond Gordon of Lowell, brother of the bridegroom.

After a reception the couple left on a trip to Buffalo, N. Y., and Niagara Falls. They will reside in Tewksbury on their return.

Orders Put Up to Take Out

\$2.50 Per Vote

What effect will the coming presidential primaries have on the voters of Andover?

Will the appeal of any of the several candidates be enough to draw them to the polls next Tuesday?

To date in various states where primaries have been held there has been an unprecedented rush of voters to take part in the balloting.

Locally there appears to be a little more interest in the contests than that shown in the primaries four years ago when only 79 Republicans and 24 Democrats went to the polls, a total of 103 voters. This was about 1.3% of the number registered. It cost the town more than \$250 to hold that primary, so that approximately \$2.50 each was spent for every vote cast.

Committees representing the two leading candidates for the Republican nomination have been formed here and the announced objective of one of them is to urge every registered voter to get out and vote.

Then there is the write-in space provided on both the Democratic and Republican ballots this year for the voter to show his preference for the candidate he wishes to be nominated for president, which should prove an added incentive for getting voters to the polls.

In view of the apathy of voters in previous primaries only one voting place will be open next Tuesday. Voters from all Andover precincts will vote at the Square and Compass club between the hours of 7 a.m. and 7 p.m.

Don't just "Let George do it." There will be plenty of ballots available. Get out next Tuesday. Show that Andover is vitally interested in the selection of our next president, and it should not cost us \$2.50 per vote to do it!

Business goes where it is solicited and stays where it is well treated.

50 Years Ago — April 1902

Seeds were distributed to the children in the public schools Wednesday.

A car began running Tuesday on the partially constructed Haverhill-Andover road from Railroad square in North Andover about two miles toward Andover to the Salem turnpike near Den Rock.

Asst. Fire Marshal Casey of Haverhill was in town Monday investigating the cause of a fire which destroyed a barn at Bellevue Grove at Haggett's pond.

Plans for improvements on Main street will be the principal question for discussion at the special town meeting Monday night. Plan prepared by the state highway commission takes water from surface of the road into catch basins at three different points.

As the result of a runaway, George Saunders' wagon was badly smashed up last Tuesday in front of Phillips academy. On Friday the handsome delivery wagon of W. J. Burns, in which clothing of P.A. students had been collected for pressing and repair, was ruined in a runaway escapade by his new gray horse, the wagon scattering students' suits, coats and trousers all over Phillips and Abbot streets.

Many residents of Frye Village out of work because of strike at Washington mills. Many strikes now in progress against the American Woolen Co., on the two-loom issue but the Lawrence strike is the result of the management's refusal to grant the German weavers an advance of 20% and abolition of the premium system.

25 Years Ago — April 1927

The worst forest fire in years raged for four days out beyond Haggett's pond. Starting Sunday at Wood Hill rd., and fanned by shifting winds it roared through pines and birches, across High Plain road, and along Cross street before being stopped by firemen assisted by help from Lawrence, North Reading and the state forest warden. Local firemen hampered by poor condition of the pumper which voters in their economy refused to replace with new one. Pumper has been serving town since 1914 and needs constant repair.

NEW BOOKS

Amiable Baltimoreans, Beirne.

An over-all picture of Baltimore from the beginning, history of its social life, its benefactors, including George Peabody, John Hopkins of the university and the hospital.

Search For The Spiny Babbler, Ripley.

Dillon Ripley and his friends traveled 8000 miles to the spot where Americans and Europeans had never been allowed on their expedition that will thrill lovers of birds, of natural history and of exploration.

Fifty Years of Popular Mechanics, 1902-1952, Pop. Mech. Magazine.

A collection of the most fascinating articles, predictions, illustrations and inventions pictured in Popular Mechanics since the first issue.

Master Spy, Colvin.

An amazing story of Admiral Wilhelm Canaris who, while Hitler's chief of intelligence, was a secret ally of the British. From 1935 to late 1944 he directed military espionage and counter-espionage for Hitler's Third Reich.

What Eisenhower Thinks, Eisenhower.

Here are the principles that would guide Eisenhower as a leader. They are organized, synthesized and interpreted by Allan Taylor.

Woman At Work, Anderson.

Mary Anderson was director of the Woman's Bureau of the U. S. department of labor for 25 years. In her biography she brings in almost every movement, both national and inter-national, that has worked for the benefit of women workers.

All The Best In The Mediterranean, Clark.

Twenty countries and islands of the "Inland Sea" area, described for those who would go as well as those who travel by way of books.

Silent Traveller In New York, Chiang Yee.

The author illustrates his own clever interpretation of New York with typical Chinese techniques and media. This is delightful, with many humorous observations.

Education In The Humane Community, Hart.

The author points out the fact that education includes far more than formal schooling, and here he compares the difference in life experience of young people educated in big cities and those who have the "ideal conditions in the humane community of rural areas."

American Woods, Schoonover. Excellent manual for craftsman, hobbyist, designer or artist.

What Our Readers Say —

SUGGESTS CHANGES

Editor of The Townsman:

To further our common purpose, the following modifications in the by-laws of our town are suggested for consideration.

Art. 1: Section 1 presently reads: The annual town meeting for election of town officers, and for other purposes, shall be held on the first Monday of March.

The changes proposed for this section are as follows: Strike out the entire wording and add these sections in its place: Section 1, a: The annual town meeting for discussion and dispatch of such business as may legally come before it, with the exception of the election of those town officers that are elected by secret ballot, shall be held the first Monday of March. Section 1, b: The annual election of those town officers which are elected by secret ballot shall be held within a period starting two days after the beginning of the annual town meeting and ending ten days after the final adjournment of the annual town meeting.

Art. 2: Section 3 presently reads in part: The selectmen shall annually, at least four days before the annual meeting cause to be distributed among the taxpayers of the town, a detailed report, in print, of all money received into and paid out of the town treasury during the preceding financial year.... The changes proposed for this part of this section are as follows: Strike out the seventh word (four) and replace it with the word Twenty; Strike out the nineteenth word (taxpayers) and replace it with the word Voters.

The advantages residing within the proposed modifications shall largely remove the infirmity of being upside down which is a characteristic of the presently used method of requiring the voters to elect their town officers and thereafter being presented with a report of their service to the town.

The cost incident to the preparation and printing of the annual report promptly after the close of the fiscal year, and its house to house distribution throughout the town is justified by prudence. In similar circumstances court decisions have upheld such costs.

Sincerely yours,
Karl Haartz

Discusses Trees For Home Planting

Home owners have been making inquiries of R. G. Abbott, tree warden, about the varieties of trees to plant on Arbor day. In reply, Mr. Abbott has prepared the following lists:

Large trees include sugar and red maple, red and pin oak, gray and purple beech, thornless honey locust, and the tulip tree.

Medium size include Norway and crimson king maples, scarlet oak, European littleleaf linden, mountain ash, Japanese pagoda, Katsura and Gingko.

Small trees include Armur maple, white and red flowering dogwood,

magnolia, tupelo, sora, red bud, Althea and French pussy willow.

Trees that are fast growing are generally weak, Mr. Abbott states, and others are unsatisfactory when planted near homes.

Such trees are poplar, Chinese elm, cut leaf or silver maple, horse chestnut, honey locust with thorns and catalpa.

Birch and willows often require special sprays but white birch is beautiful when planted among or with the background of evergreen trees.

There are several varieties of upright growing trees which require less space in which to grow. Among them are upright sugar maple, Norway maple and European linden.

A young tree of small size often stands the shock of transplanting much better than one of large size. It costs less and the home owner has the pleasure of watching it grow in size and beauty.

Grass Fires Keep
Firemen On Jump

While fierce forest and brush fires were sweeping through several sections of New England last Sunday numerous local brush and grass fires, fanned by a high wind, endangered buildings in outlying districts of the town until extinguished by firemen who in a few hours responded to 13 alarms.

While none of the local fires were serious the prolonged dry weather has made the brush ready prey for flames as noted by some of the larger blazes in neighboring towns where hundreds of acres have been burned over.

Andover firemen Sunday assisted for about four hours in a large forest fire in the Tewksbury-Billerica area. Besides the number of alarms answered Sunday there were two more here Monday and four Tuesday.

Sunday's alarms were:

10:26 a.m., grass and rubbish at rear of 45 Main st.

12:05 p.m., public dump.

1:09 p.m., brush at corner of Chandler rd., and North st.

1:35 p.m., grass at 4 Dufton rd.

2:31 p.m., Engine 1 and jeep to Tewksbury fire station to cover in

3:05 p.m., Engine 4 plus Engine 1 and jeep to Tewksbury-Billerica brush fire. Apparatus was gone four hours.

3:35 p.m., brush at by-pass near state police barracks.

3:26 p.m., Marland and Tewksbury streets for fire in auto owned by Mrs. Robert O'Hara, 128 Main st.

3:30 p.m., brush at public dump.

3:40 p.m., Engine 2 to public dump.

5:32 p.m., brush off Canterbury st. Engine 2 responded.

5:40 p.m., Box 651 for above fire. Engine 3 responded.

6:29 p.m., grass off Elm street in rear of Merrimack college. North Andover department also responded to this fire.

to the national convention; one man and one woman of the Fourth Senatorial district to the state committee, and 10 members to the town committee.

Independent voters, those who are registered but not enrolled in a party, may vote either ballot simply by asking for the one of their choice. This automatically enrolls them in the party whose ballot they take, but they may revert to their independent status 30 days after Apr. 29 on request made to the town clerk.

Voters listed as Republican or Democrat will take the ballot of the party in which they are enrolled. New voters may choose either ballot but this automatically enrolls them in that party.

On the Republican ballot there is but one group of delegates at large and alternates at large. To vote the entire group a cross can be made in the circle, but to vote for individual candidates a cross must be marked against the names.

There are two groups of delegates and alternates of the Fifth Congressional district, one pledged to Taft and the other, although not designated on the ballot, for Eisenhower.

The Democratic ballot has but one group of delegates at large and alternates at large. A cross in the circle will be a vote for the entire group, or to vote for individual candidates a cross must be put against the name.

For district delegates and alternates to the national convention there are three groups designated as Group 1, Group 2 and five ungrouped delegates and two ungrouped alternates. Not more than four delegates and four alternates are to be elected.

On this ballot for town committee 10 are to be elected but only nine names are listed.

On each ballot voters should read the instructions at the top of each column so that they will not vote for more than the number to be elected. Such votes would be counted as blanks.

At the presidential primary four years ago only 103 Andover voters went to the polls, 79 Republicans and 24 Democrats.

The most recent tabulation of voters by party was: Democrat, 369; Republican, 3061; unenrolled, 2984.

Garden Club Again Wins Recognition

The Andover Garden club has for the second time this year achieved national recognition, coming this time through the publication of an article by Miss Bessie Goldsmith in "The National Gardener", the official bulletin of the National Council of State Garden clubs.

Miss Goldsmith's article entitled, "Massachusetts Saves its Natural Gems," is an explanation of the work of the trustees of public reservations. The trustees have acquired since their organization in 1891, a total of 43 reservations, one of which is the Ward reservation located in Andover.

All the lands acquired by the trustees are set aside for the enjoyment of natural beauty and the edification provided by historic places. They are not amusement parks.

Miss Goldsmith's article, which is available at the Memorial Hall library, describes not only the work of the trustees but also one of its most recent acquisitions, Bartholomew's Cobble in Sheffield,

one of the outstanding rock gardens in Massachusetts.

Things don't just happen—somebody makes them happen.

Mobilgas Economy Run

New Ford Mileage Maker SIX Thriftiest in its Field!

Again this year . . . Ford was first in gas economy over all cars in its price class in the Mobilgas Economy Run. In this toughest test, a Ford Six with Overdrive (optional at extra cost) averaged 53.855 ton-miles per gallon and 25.463 actual miles per gallon. A very important contributing factor is Ford's Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas. Pound for pound, Ford's All-New Mileage Maker Six is definitely the most economical low-priced car to run!

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles travelled, divided by number of gallons consumed.

"Test Drive" the Economy Winner Today!

WEDDING

BRANDT - FRENCH

Barbara Jane French, grand-
daughter of Mrs. Philip R. French
of Main st., became the bride of
Roger Brandt, son of Mr. and Mrs.
Harold R. Brandt of Akron, O., at
a ceremony Apr. 19 in the Lorimer
chapel of Colby college at Water-
ville, Me. Dr. J. Seelye Bixler and
the Rev. Donald C. McMillan
officiated.

A reception was held at the Dunn
lounge, Colby college.

The bride given in marriage by
her uncle, Richard Soule French,
wore a gown of white satin en-
train trimmed with seed pearls and
a fingertip veil of net and lace.
She carried a bouquet of orchids
and stephanotis. Miss Emily
Gierasch of Andover was maid of
honor. She wore a ballerina length
gown of white embroidered organdy
over blue taffeta and carried a
bouquet of yellow margurites.
Ogden Brandt of Akron, brother of
the groom, was best man.

Mrs. Brandt was graduated from
Abbot academy, class of 1947, and
and from Colby college in 1951
where she was a member of Chi
Omega.

Mr. Brandt is a graduate of
California Institute of Technology
and is associated with the Emhart
Manufacturing Co., as develop-
ment engineer. After a month's
motor trip to California, the couple
will live in Hartford, Conn.

RED CROSS ASKING

FOR BLOOD DONORS

(Continued from Page One)

especially acceptable just now.
People who are able to give but
have not been contacted by any of
the recruiting organizations are in-
vited to call Red Cross headquar-
ters immediately to be registered.
Those unable to register in ad-
vance are asked to report to the
bleeding center without appoint-
ment, as walk-in donors.

Because measles reached epi-
demic proportions in Andover this
winter, a great many children re-
ceived from physicians "measles
shots", injections of immune serum
globulin, to lessen the severity of
the disease. The label attached to
the serum container read, "This
product was obtained from blood
donated by volunteers enrolled by
the American National Red Cross.
The cost of processing, testing
and packaging was paid by the
American National Red Cross. The
sale of this material is prohibited."

Dr. Charles H. Hollis, volunteer
medical advisor to the Andover
Red Cross blood program says, "If
it had been necessary to find a
blood donor for every package of
this serum administered after ex-
posure to measles, hundreds of
additional blood donations would
be required. Yet all we have to do
is to contact the local board of
health, which has been designated
the distribution agency, and the
precious stuff is made available
free of charge. To me, that alone
makes the Red Cross worthy of
support."

The volunteer blood donor may
be supplying this serum for some
baby, plasma for a battle casualty,
whole blood for a shock or burn
case, or one of the derivatives for
treatment of one of the trickier
medical situations. All of the blood
collected will go to help save
some life.

CATHOLIC CLUB

A choral group of boys from Boy
Haven at West Newbury will enter-
tain at the monthly meeting of the
Andover Catholic club to be held
Monday, May 5 in St. Augustine's
school hall with dinner at 6:30
p.m. Attention of members is called
to the visit of the Bloodmobile
here Friday, May 2. Prospective
blood donors should register at
Red headquarters, 8 Elm square.

Church Women To Serve Breakfast

A committee of Free church
women, with Mrs. Helen E. Burn-
ham of Fletcher st., chairman, is
arranging to serve the laymen's
communion breakfast Sunday morn-
ing, May 11.

It is suggested that men attend-
ing the service at the Baptist
church leave their autos in the
bank parking space and walk to
the Free church. Anyone in the
habit of transporting children to
church school will have time to do
so after the breakfast and the
short talk by the Rev. A. Graham
Baldwin.

The only difference between
stumbling blocks and stepping

Moving to Chicago

The scout activity in the Andover district of the North Essex council will lose one of its outstanding leaders with the removal of Fred Schaberg and his family of Dufton rd., to Chicago in the near future. Mr. Schaberg was instrumental in forming explorer post 72 of the Free church, served as explorer advisor of the unit, and was recognized as an expert in explorer activities. His unit, which is for older boys from 14 to 18 years of age, has been outstanding in camping trips, mountain climbing, and other outdoor activities. The unit also has more eagle scouts and silver award explorers (highest ranks) than any other unit in the North Essex council. A number of months ago Mr. Schaberg began working at some distance from Andover and at that time became assistant advisor and counsel to Robert Domingue who has ably taken over the duties of advisor. Mrs. Schaberg is a former den mother in the Cub scouts and

their son, Dick, is holder of the silver award in the post.

Visits New Orleans

According to a letter recently received by Mr. and Mrs. Walter Caswell, Dumbarton st., from Cmdr. Donald Dunn, formerly of Sutherland st., their son, Midshipman John Caswell, of the U.S. training ship Charleston, was greeted by Cmdr. Dunn when the ship docked following a 790-mile leg of the training voyage from Vera Cruz, Mexico. Cmdr. Dunn, who is senior staff officer at the headquarters of the 8th naval district, was unable to spend any time with Jack because of the pressure of his duty, however Mrs. Dunn and their daughters, Dorothy and Dawn, showed him the city, had him to dinner and all took in a show. Cmdr. Dunn, on military leave as head of the physical education department of the Andover public schools, has recently been advanced to director of special services for the Eighth Naval district. Midshipman Caswell stayed four days in New Orleans and then left on a 1090-mile trip to Jacksonville, Fla., arriving there last Sunday. His ship is at present at sea on the way to Washington, D.C., and will berth in New Bedford, the latter part of the month.

Woman's Club

The dramatic department of the Shawsheen Village Woman's club met at the Andover Country club last Friday afternoon. Plans were made for the final meeting of the department which will be a picnic at the summer home of Mrs. James Baxter at Big Island pond Friday, June 6. A discussion was held on the advisability of meeting next year at the country club or in department members' homes. No decision was reached.

A one act play "Pretendin'" was read as the entertainment of the afternoon with the following members taking part; Mrs. Sherman Locke, Mrs. Walter Caswell, Mrs. Richard Locke, Mrs. Richard Himmer, and Mrs. Chester Kopatch.

Attend President Nights

Mrs. Walter Caswell and Mrs. G. Edgar Best, president and vice-president of the Shawsheen Village Woman's club attended the president's nights of the Women's Civic club of Methuen and of the Singing Mar club of Lawrence during the past two weeks.

Personals

William Kurth, son of Mr. and Mrs. William W. Kurth of N. Main st., and James Baillie, son of Mr. and Mrs. Andrew Baillie of Cambridge st., have returned to Bowdoin college following their regular spring vacation.

Probate Court
To all persons interested
in the estate of ELLA I. CURTIS late of Andover, deceased.
A petition has been filed in the Probate Court for license to sell certain real estate, and to authorize the said trustee with the wife of the said deceased to execute the same. If you desire to object to your attorney should appear in said Court at ten o'clock in the forenoon of the twenty-eighth day of May, 1952, at the Court house in Andover, Mass. Witness, John V. Fheist, Judge of said Court. Dated April 19, 1952. JOHN J. COSTELLO, Attorney at Law, Andover, Mass.

Having been married, I have decided to take a little trip. I am now and then next room where a knitting. "The only said in a hush for once I'd like to see. I'd like to see your mother." "My mother!" exclaimed. "I thought she was dead!"

Having been married 20 years, a couple decided to celebrate by taking a little trip. While talking over their plans one evening, the husband now and then glanced into the next room where a little old lady was knitting. "The only thing," he said in a hushed voice, "is for once I'd like to be by ourselves. I'd like to take this trip without your mother."

"My mother!" exclaimed the wife. "I thought she was your mother!"

NEWSPAPER STYLE

The cub reporter had one bad habit: his stories were too long and wordy. After being warned to cut them short, he reported an accidental death as follows: "J. Jones looked up the elevator shaft in the Blank building to see if it was on the way down. It was. Age, 48."

Oh, la, la, but any woman would feel glamorous greeting guests in this French ensemble by Jean Desses for Raymades. It is really separates, consisting of shiny white pique pants and blouse, covered by a full overskirt in a gay tulip print and a high empire-type waistband in flame red felt buttoned tautly for slimmness.

Granted Increased Gasoline Storage

Increased storage of gasoline was granted to two petitioners after hearings by the board of selectmen Monday night.

The Clark Motor Co., of Park st., was granted a license to increase storage from 3000 to 5000 gallons, and Irving Hilton, who conducts a filling station at the By-Pass and Salem street, was granted a license to increase storage from 5000 to 9000 gallons.

In both cases the gasoline will be in underground tanks approved by Fire Chief C. Edward Buchan.

Do You Know Massachusetts?

DO YOU KNOW THAT....Outstanding in orders received by Massachusetts manufacturers during January were gains of 130% in primary metals, 50% in machinery excluding electrical and 23% in rubber products, compared with the same month a year ago, as reported by Associated Industries....Total orders amounted to 11% less than a year ago, but 40% more than in the year 1947.... Although the number of claims for unemployment compensation in Massachusetts on March 1 were running 55% larger than a year ago, those in Haverhill district were down 41%, Quincy district 30% and Milford district 25% below the same time last year.... Sales of U. S. savings bonds, series E, F and G, in Massachusetts from their inception in May 1941 to Dec. 31, 1951 totaled \$3,338,475,000 at the issue price. This was an average of \$712 per resident, compared with \$588 for the United States as a whole.... The large stone Japanese lantern that has stood on the shore of the Boston public gardens pond since 1906, once stood in Emperor Hidejosi's garden in Japan. It was presented to the city by Japanese residents....Water consumption in the Boston Metropolitan water district in January averaged 183,678,300 gallons a day, 310,600 more than a year ago....

WILL SPRAY ELMS FROM HELICOPTER

(Continued from Page One)

Chestnut street, Park street, Summer street, Elm street, Johnson road, Walnut avenue, High street, Essex street, Ridge street, Brook street, School street, Central street, Phillips street, Abbot street and Locke street.

In Shawsheen: Lowell street, Wood memorial park, North Main street, Poor street, Riverina road, Haverhill street, Balmoral street, York street, Burnham road and Arundel street.

In order to avoid having automobiles sprayed it is suggested that they do not be parked under trees when the helicopter is spraying.

This is the first time that Andover trees will be sprayed from a helicopter. Many other communities have tried out this method and G. R. Abbott, moth superintendent, believes that it is the best protection that can be given. Other elm trees in the town will be sprayed by the town's mist blower which shoots a spray about 100 feet into the air.
